

County Council: September 11, 2008

The last County Council Meeting, held on September 11th, was called to order by Sammi Feliciani at 7:03pm. The American pledge was led by Colton McLeod and the 4-H pledge was led by Callie Shaffer. Roll was called by Bethany Jensen and quorum was announced. We then had the 2008/2009 Officer Instillation ceremony, which was led by Mr. Tim. The secretary's report was read and approved as read by the council members. The treasurer's report was postponed until the next meeting because the Treasurer was not present.

Club reports were then read by Mikenda Farms and Camo 'n' Critters.

Old business was next. State Legislature was discussed by Sammi and Dominique Meyer. Kelly Wildermuth then told us about her Congress experience and we then had the privilege of learning about the Golf Tournament from Thomas Freeman, Sammi, and Dominique. The Operation Military Kids conference was discussed by Mr. Tim and Bethany. Emily Verhayden and Sammi told us of their exciting time at SRTLC.

We then broke into committees. The Community Service Committee was chaired by Dominique, the Spirit Committee by Kelly, and the Recreation and Share-the-Fun was chaired by Bethany. Committee reports were read before we moved onto new business.

Under new business Sammi discussed First Executive Board which was to be held on September 14-16 at Camp Cherry Lake, and District VIII Teen Retreat. Sammi discussed having officer name badges made for the council. Kelly moved to buy the name badges and then we had debate. During debate Bethany passed around her district name badge so that the council members could see what they would look like. We then voted to buy the name badges for \$50 which passed. Mr. Tim told us that they would be ready for the next meeting. He then discussed the Cumberland Farms scholarship and Sammi told us the date to have your Jr. Congress workshop request form to the office; which is October 14 at 5pm.

Mr. Tim then announced that Orange County would be receiving new green jackets. Sammi adjourned the meeting at 8:25pm.

Respectfully Submitted,

Bethany Jensen
